F. Portfolio Development (included)

Basic Portfolio development is included in all our fees.				
G. Tutoring & Test Prep (extra cost -- Please enquire further for prices.)				
WeLearn’s “Beyond Tutoring” program provides expert tutors to help your child through any academic challenges. Costs range from 800 to 2,000 THB per hour depending on the tutor’s expertise and subject. While all our activities and courses are designed to prepare your child to excel on university entrance exams, sometimes individual tutoring may be necessary. Our WeLearn tutors are skilled at providing such direct test preparation services.
