ACELLUS PROGRAM

Self-directed/Personalized Online Learning Program

What is Acellus?

Acellus Academy is an accredited online K-12 school that utilizes the Acellus Learning Accelerator technology, which is widely used in schools nationwide. Graduates earn an accredited high school diploma and have been accepted into prestigious universities and military institutions.

What would the learner receive during the course?

- Over 250 courses for grades K-12 covering
 - all core subjects and electives,
 - Advanced Placement (AP)
 - Career & Technical Education (CTE)
 - STEM-focused pathways.
- Video-based lessons taught by specialist American teachers.
- A flexible and customised academic program
- Self-paced interactive online course
- Students & Parents interface to track the learner's progress and scores in real-time.

The program ensures the learner has mastered the necessary concepts before moving to the next grade and keeping them on pace with their peers.

Accreditation

Fully Accredited by

Fully accredited - Western Association of Schools & Colleges

AP Course Approval - College Board

Acellus Academy's AP courses have been audited and approved by College Board.

National Collegiate Athletic Association (NCAA) Approved Courses

Acellus Academy's core courses have been revised and approved by NCAA.
