

Fee Schedule 2024-2025

Primary

As a leading school in the future of education, we are committed to implementing innovative learning approaches that prepare our learners with essential 21st-century skills. Our curriculum is designed to create a flexible and engaging learning environment, allowing learners to enjoy every step of their educational journey.

For primary learners in grades 1 to 5, we offer a blended approach to core academic subjects, incorporating digital platforms and diverse methods of knowledge application. This innovative method allows learners to access various resources and learning tools online. Additionally, we support learners' development through Project-Based Learning (PBL) and Problem-Based Learning (PBL), providing real-world simulations that enhance their problem-solving abilities and critical thinking skills. This approach ensures that our learners are well-equipped to thrive in an ever-evolving world.

Transcripts of records can only be requested once all financial dues have been settled.

Withdrawal

Learners leaving the school are required to fill out the withdrawal form at least three months before their last day of attendance. This form must include the reason for leaving and be submitted to the school's administration office. In addition to completing the form, all financial and academic obligations, such as outstanding fees, returned devices and completed coursework, must be cleared. Once these steps are fulfilled, the school will process the learner's final records and forward them to parents. Failure to comply with these requirements may result in delays in the transfer of records.
